## what is ifaaet

IFAAET is an international federation, created in 2011 to represent the Anthroposophic Arts and Eurythmy Therapies in regard to political and legal concerns.

IFAAET is an umbrella organisation, based in Dornach (CH), with yearly member assemblies and a democratically elected council and president. It is financed by members' fees and donations.

The areas of work of IFAAET include:

- ✿ to represent Anthroposophic Arts Therapies and Eurythmy Therapy internationally;
- ✿ to promote the development of Anthroposophic Arts Therapies and Eurythmy Therapy in countries where no professional association exists;
- ✿ to develop further the public profile and legal basis of Anthroposophic Arts Therapies and Eurythmy Therapy, jointly with the Medical Section at the Goetheanum in Switzerland;
- ✿ to co-ordinate activities of international significance for members of IFAAET.
